

# **Kelsey Peak Timber Sale and Fuelbreak Project Final Environmental Impact Statement**

## **Map Packet**

The following maps are sized 11 inches by 17 inches.

- Map 1. Proposed silvicultural and fuelbreak treatments and transportation system, Alternative 2A
- Map 2. Proposed silvicultural and fuelbreak treatments and transportation system, Alternative 3
- Map 3. Proposed logging systems, Alternative 2A
- Map 4. Proposed logging systems, Alternative 3
- Map 5. Proposed transportation system, Alternative 2A
- Map 6. Proposed transportation system, Alternative 3
- Map 7. Riparian reserves shown with Alternatives 2A and 3 silvicultural treatments
- Map 8. Fourth- and 5th-field watersheds in relation to Kelsey Peak Project
- Map 9. Past and current activities within the north half of the Mad River Watershed
- Map 10. Past and current activities within the south half of the Mad River Watershed

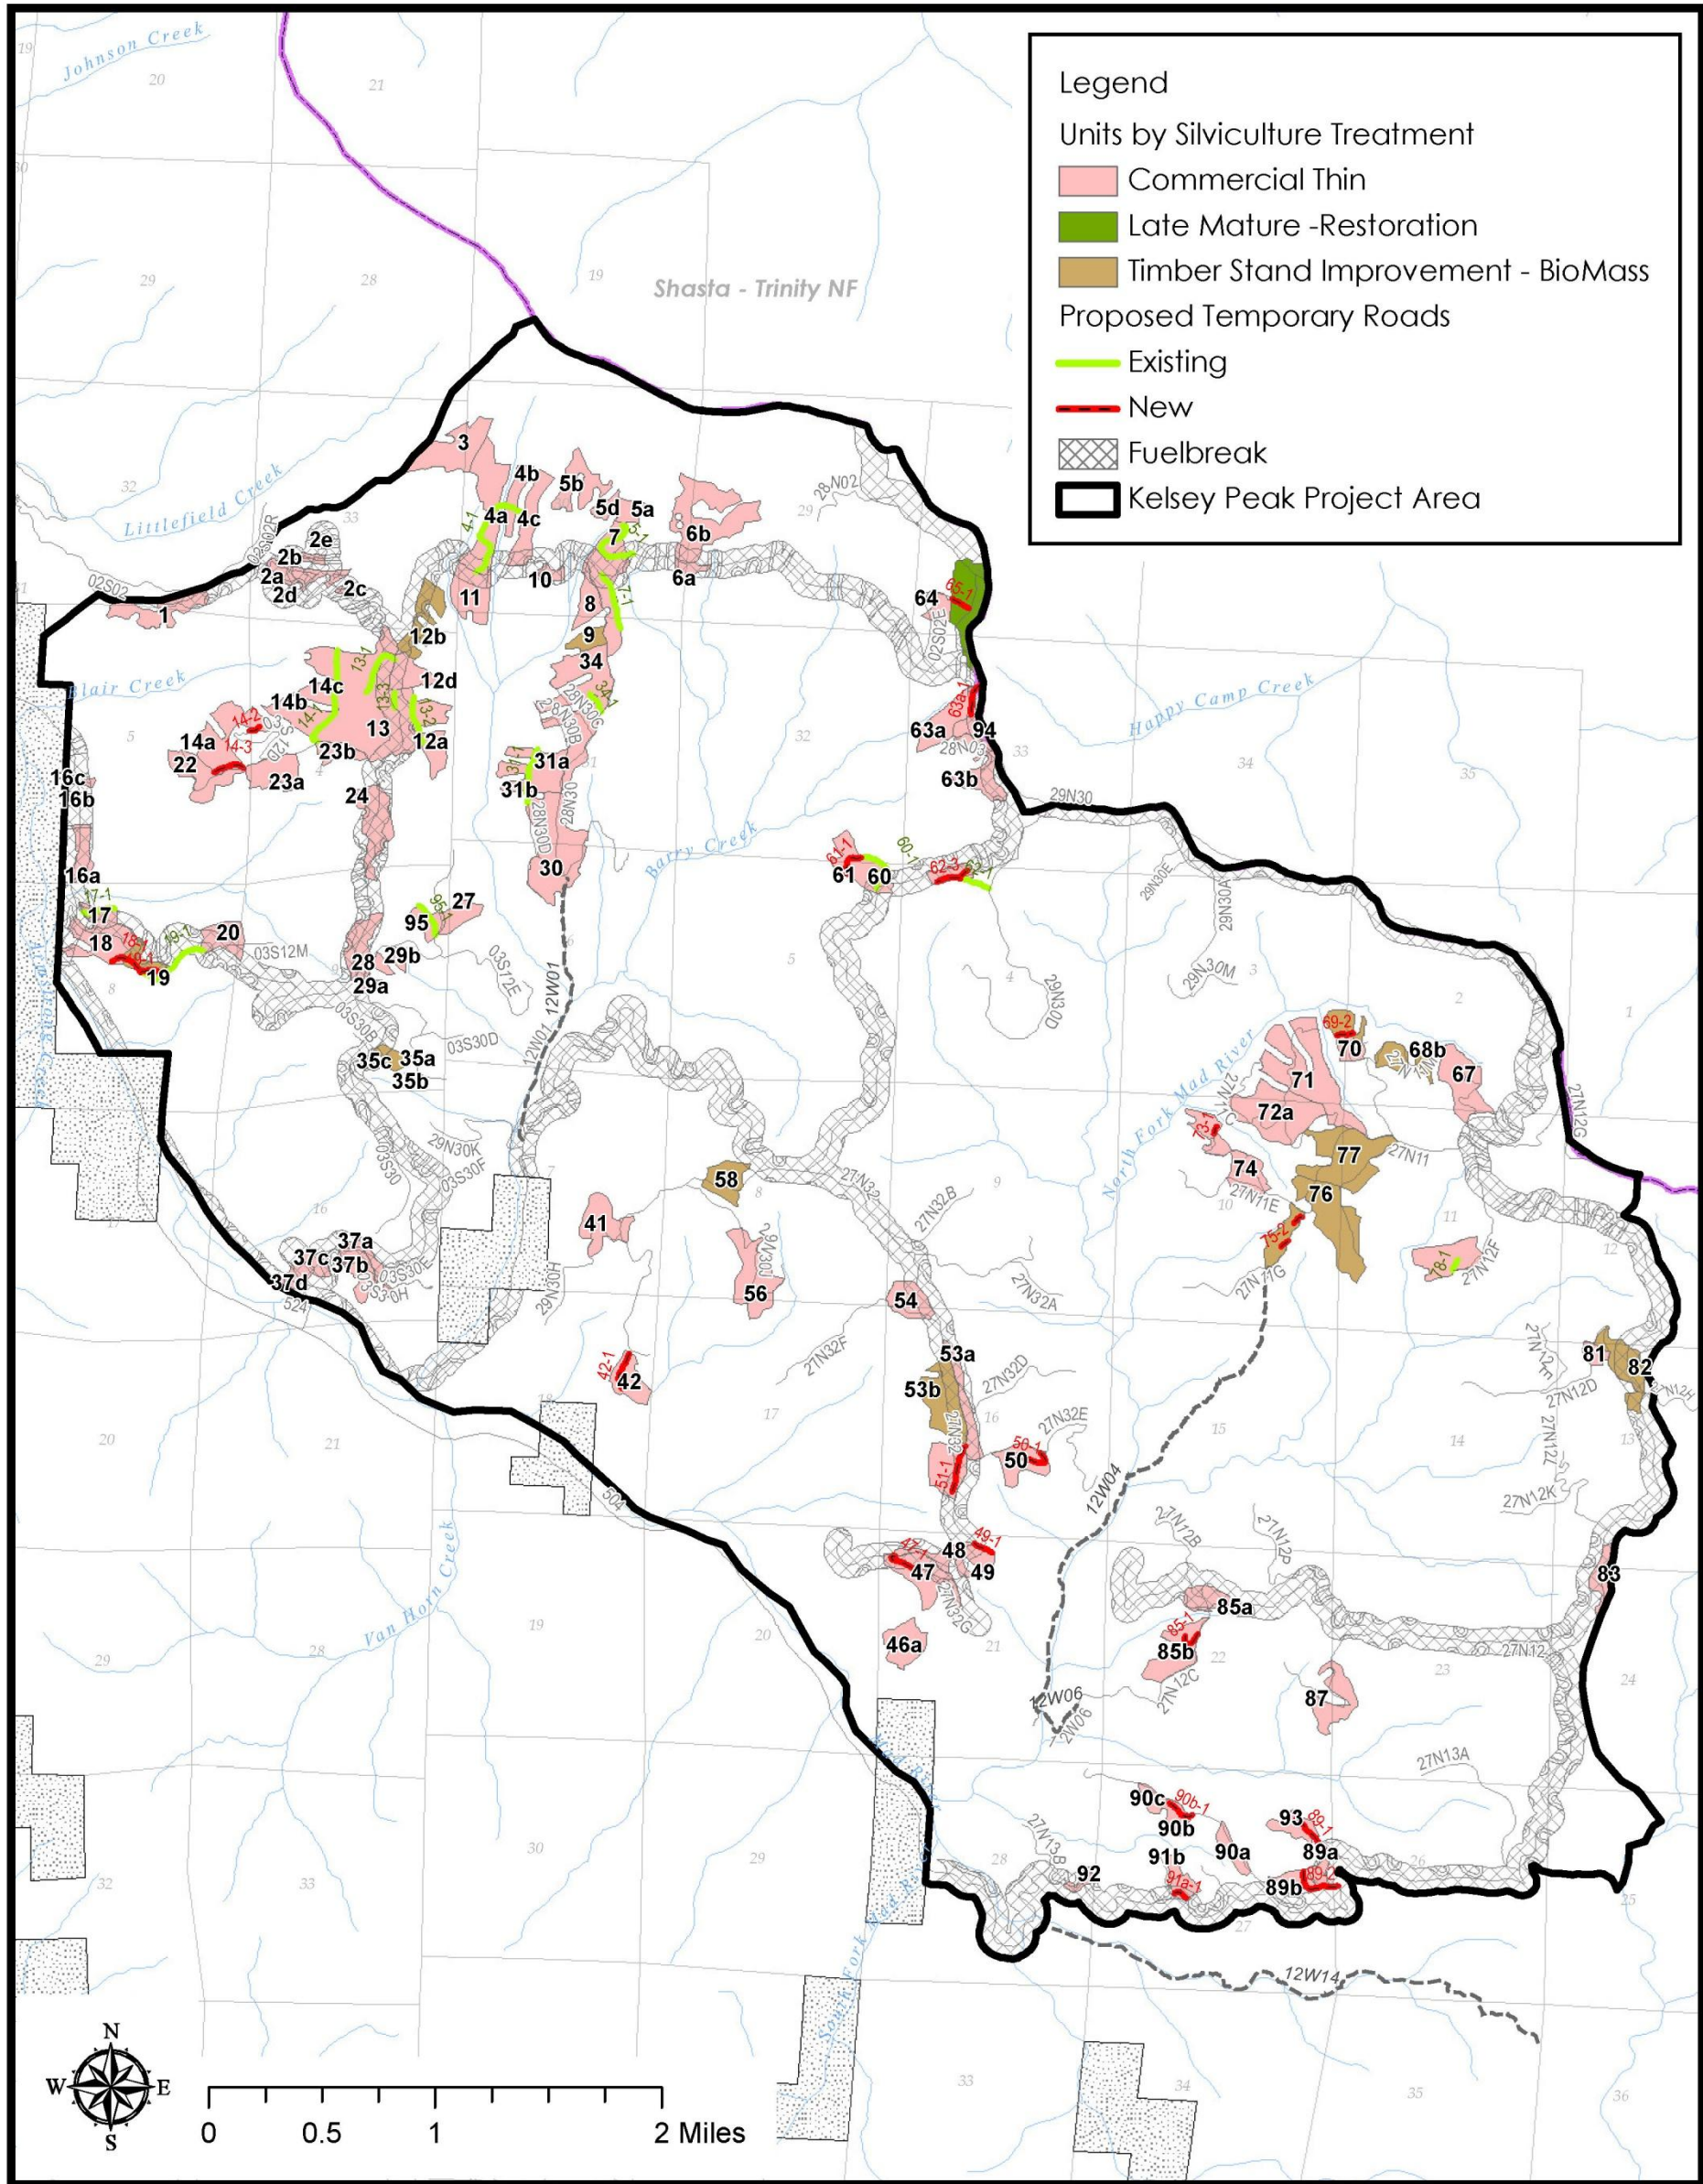

US Department of Agriculture  
Forest Service

Six Rivers National Forest  
Kelsey Peak Timber Sale and Fuelbreak Project  
Alternative 2A

## Silviculture Treatment

----- Forest Trails  
—— Forest Roads  
□ Sections  
~ Streams

Private Ownership  
Six Rivers National Forest Boundary

kp\_silvrn\_alt2a\_31july2013.mxd kp\_silvrn\_alt2a\_31july2013v2.pdf cb 11 sept 2013

Map 1. Proposed silvicultural and fuelbreak treatments and transportation system, Alternative 2A

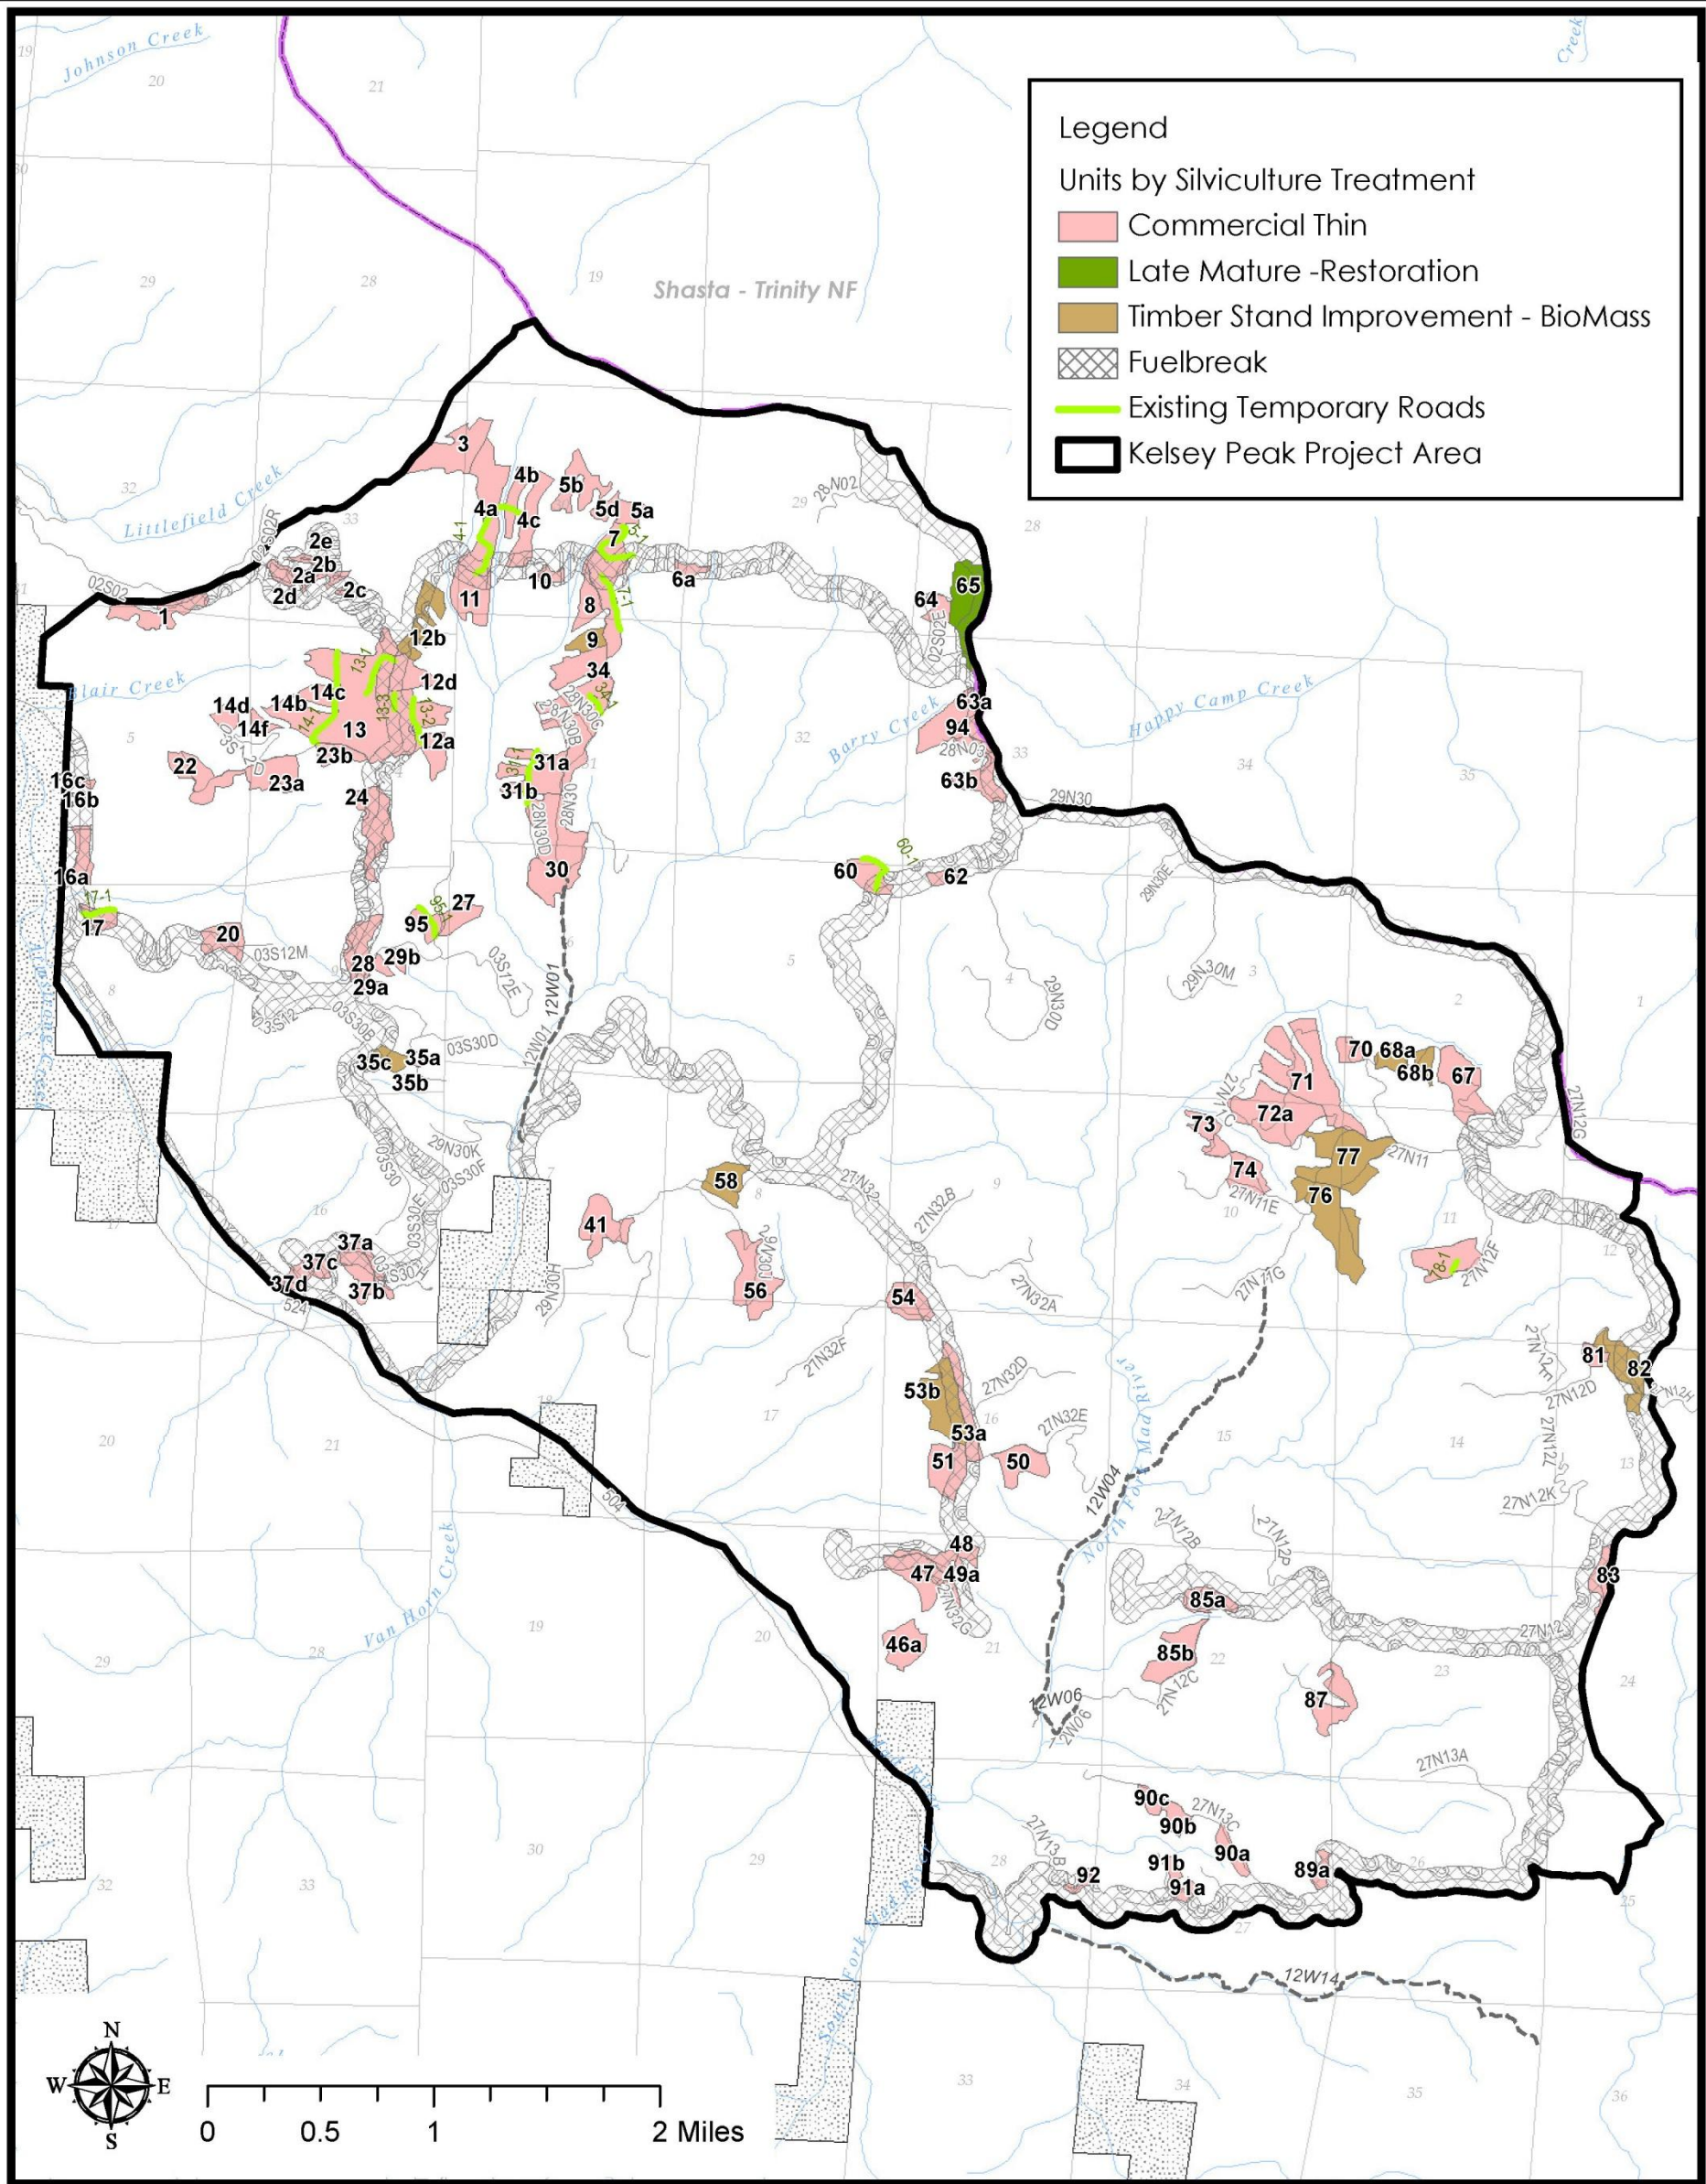

US Department of Agriculture  
Forest Service

Six Rivers National Forest  
Kelsey Peak Timber Sale and Fuelbreak Project  
Alternative 3

## Silviculture Treatment

Map 2. Proposed silvicultural and fuelbreak treatments and transportation system, Alternative 3

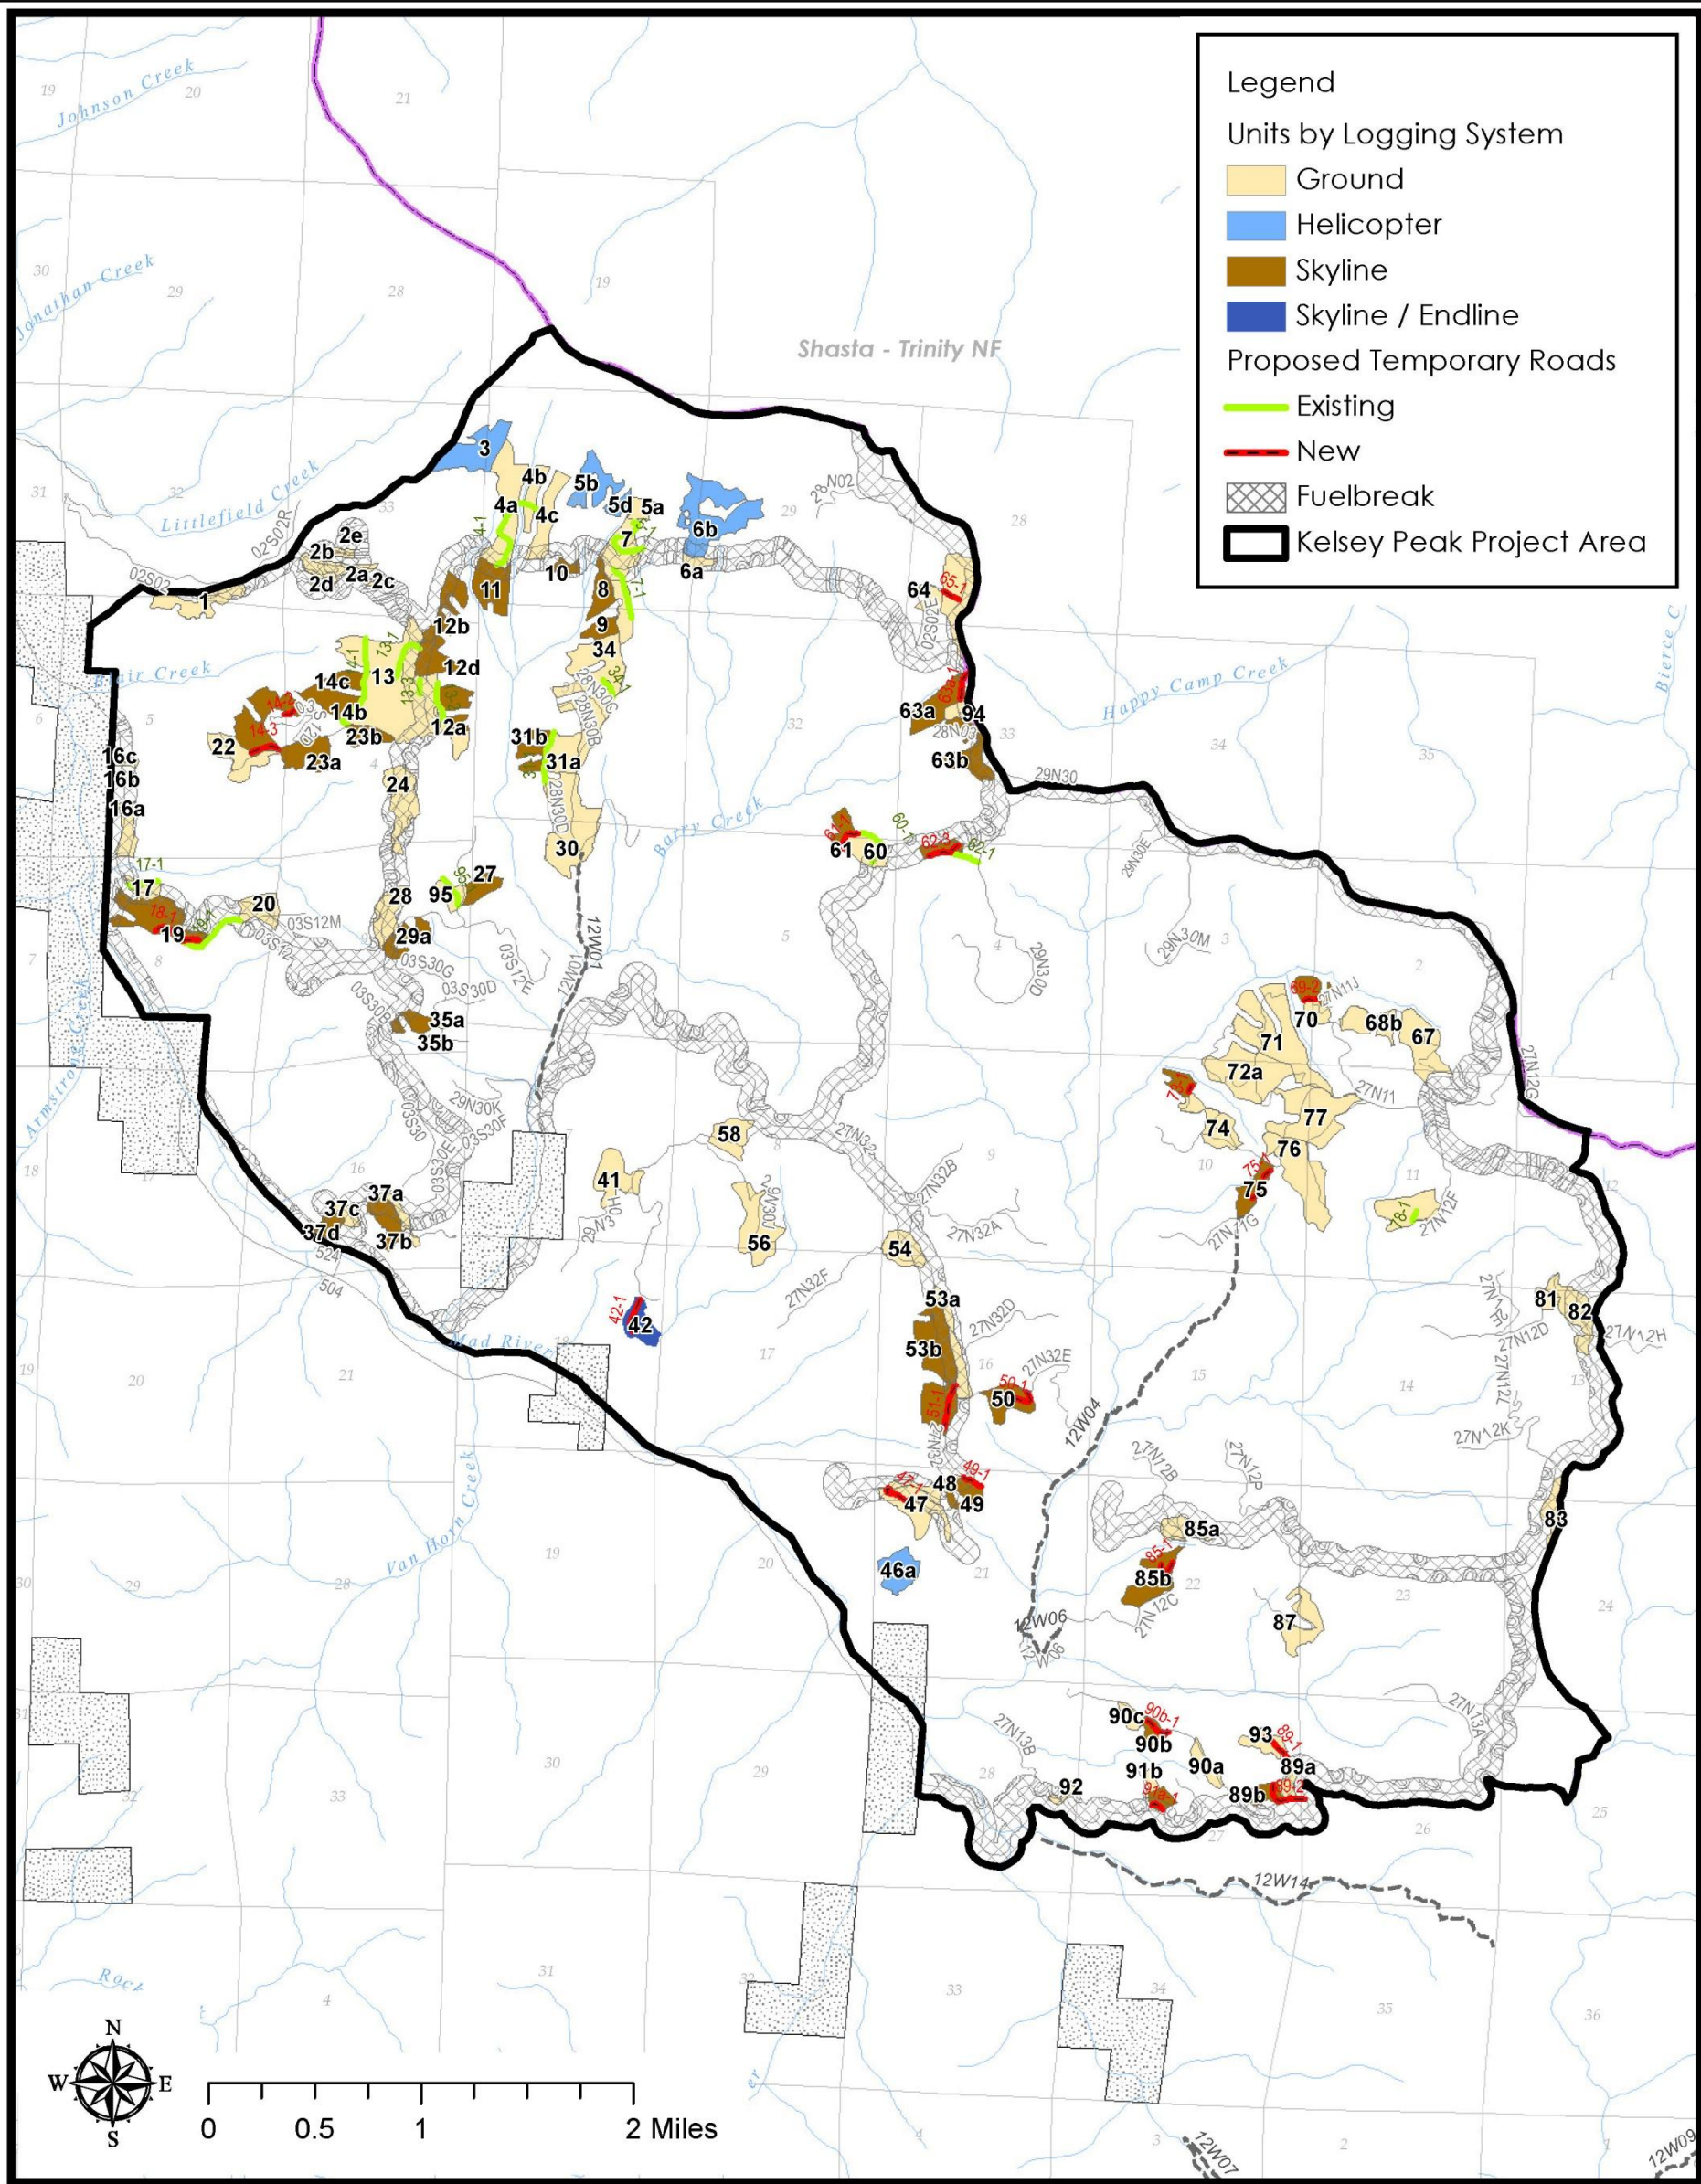

US Department of Agriculture  
Forest Service

Six Rivers National Forest  
Kelsey Peak Timber Sale and Fuelbreak Project  
Alternative 2A

## Logging Systems

----- Forest Trails  
—— Forest Roads  
□ Sections  
~ Streams

Private Ownership  
Six Rivers National Forest Boundary

kp\_logsys\_at2a\_31july2013.mxd kp\_logsys\_at2a\_31july2013v2.pdf cb 11 sept 2013

Map 3. Proposed logging systems, Alternative 2A

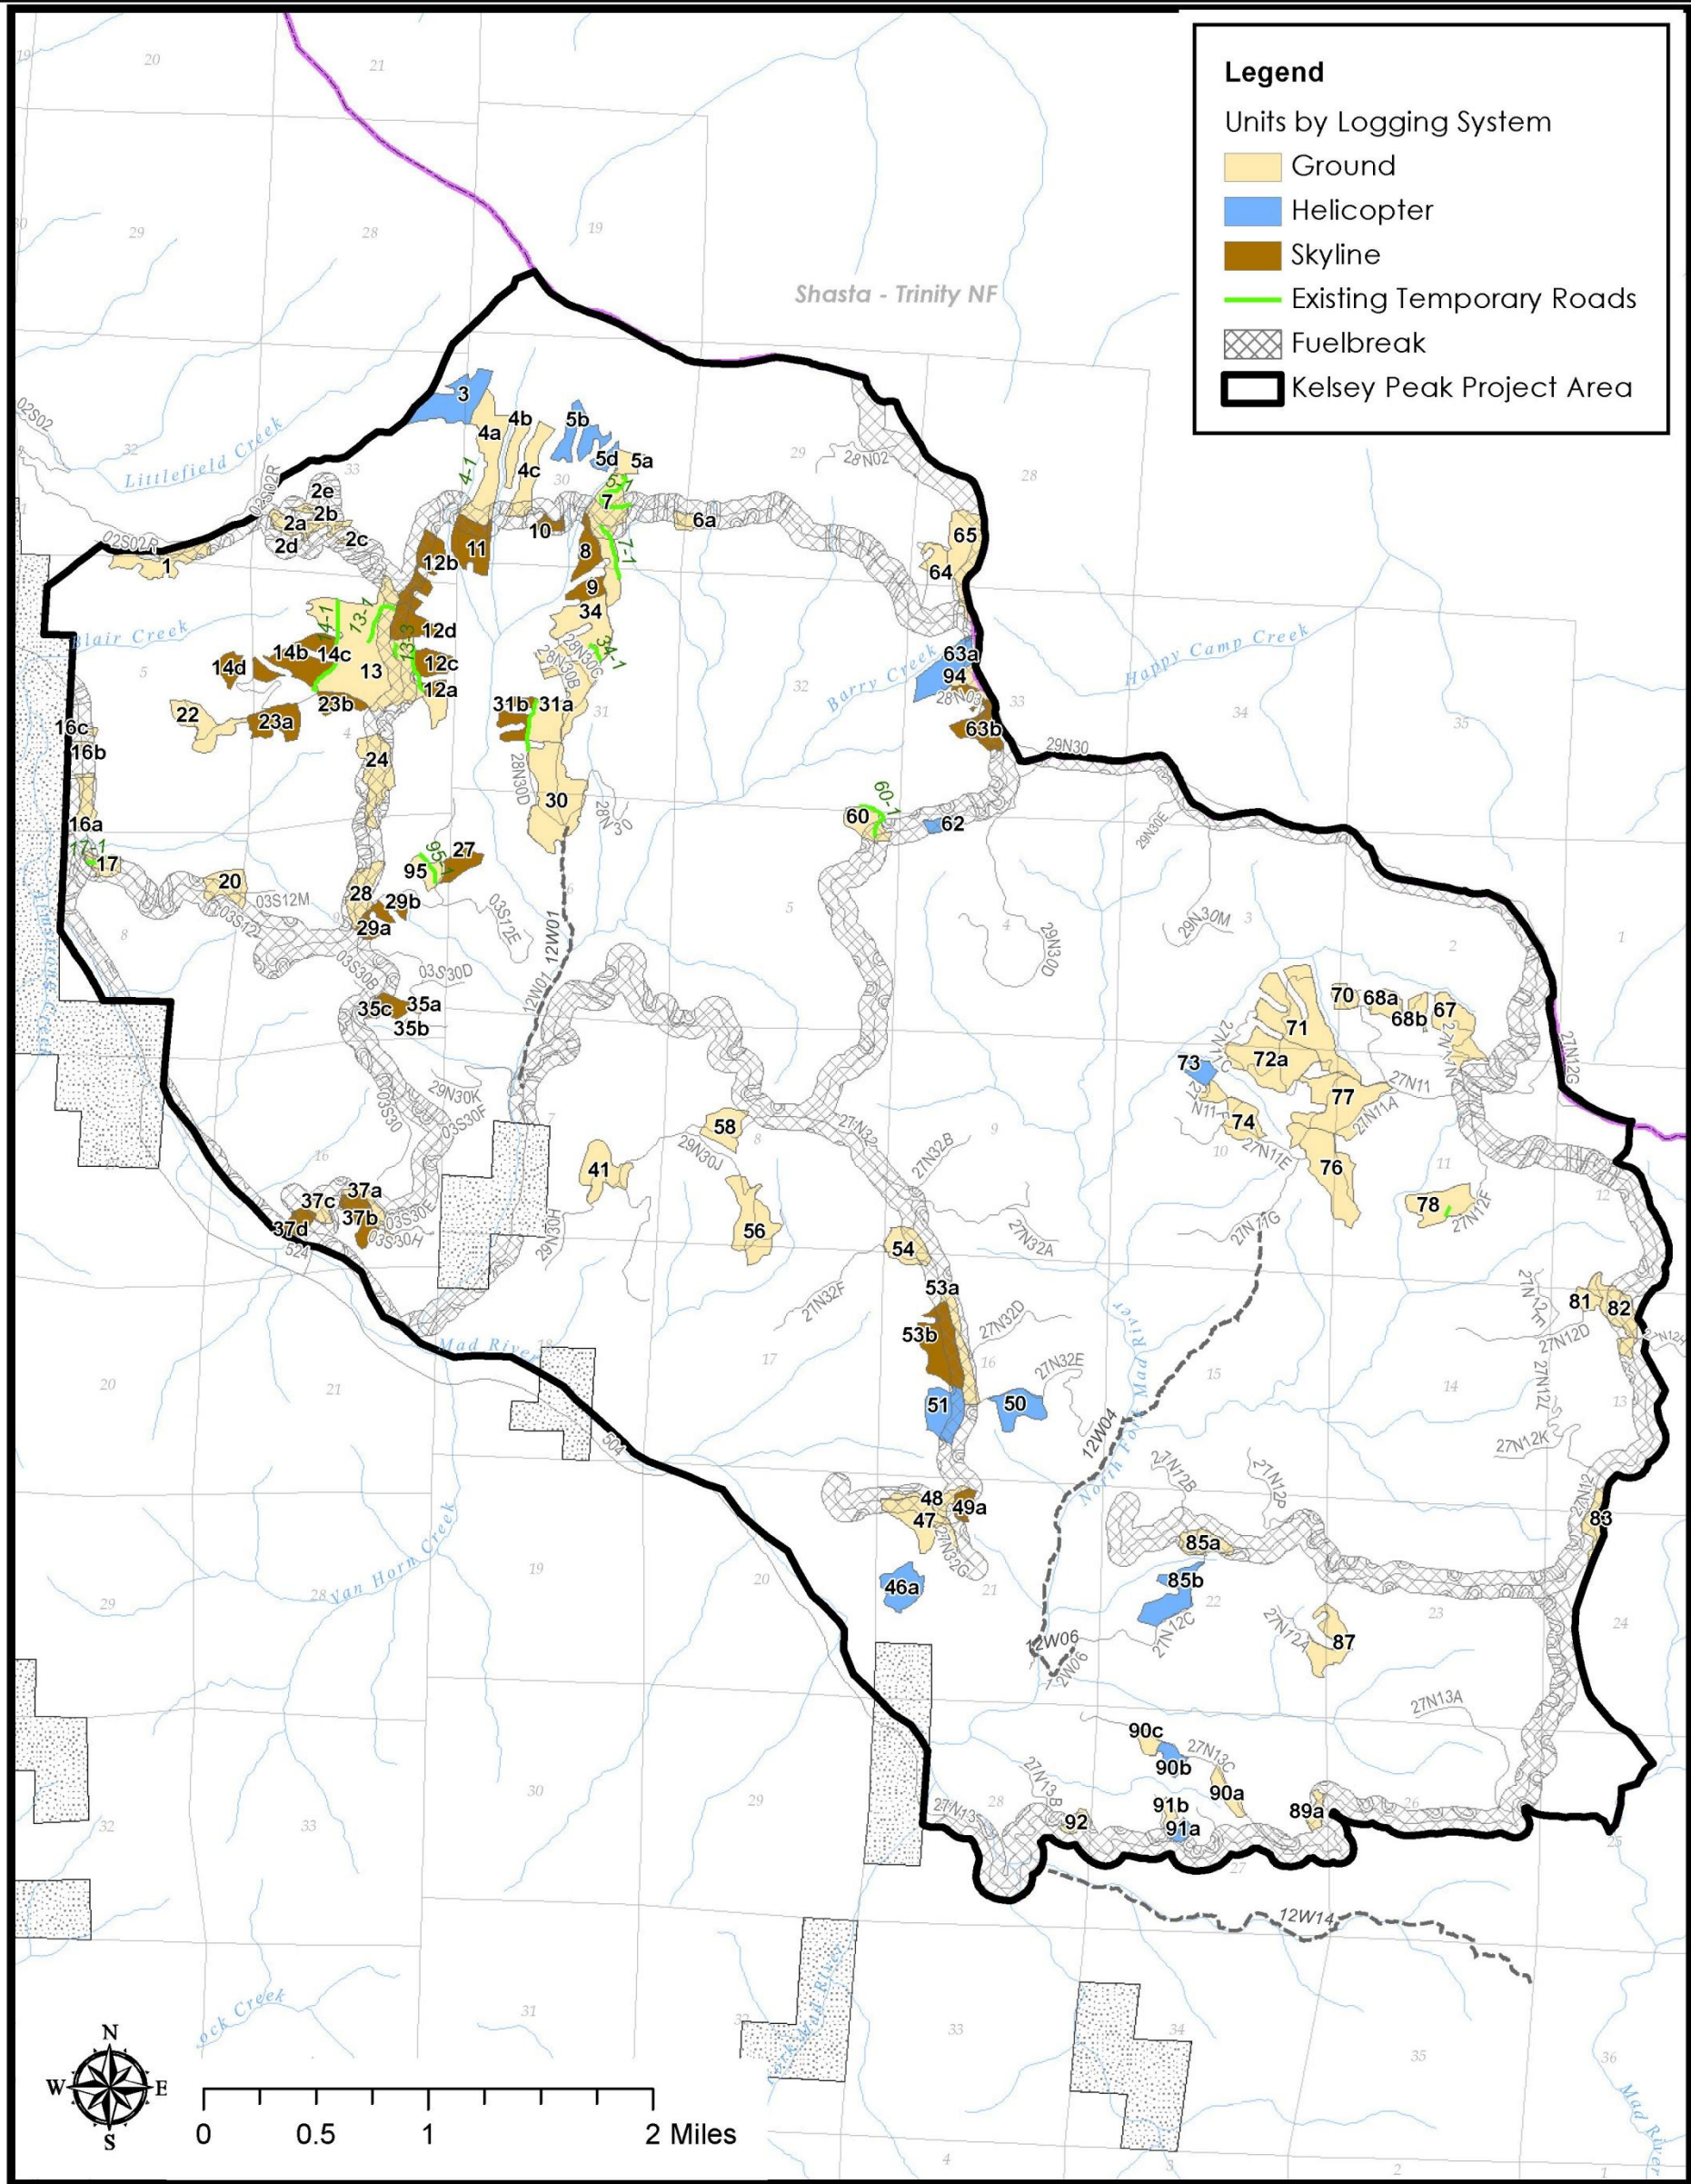

US Department of Agriculture  
Forest Service

Six Rivers National Forest  
Kelsey Peak Timber Sale and Fuelbreak Project  
Alternative 3

## Logging Systems

----- Forest Trails

— Forest Roads

□ Sections

~ Streams

Private Ownership

Six Rivers National Forest Boundary

Map 4. Proposed logging systems, Alternative 3

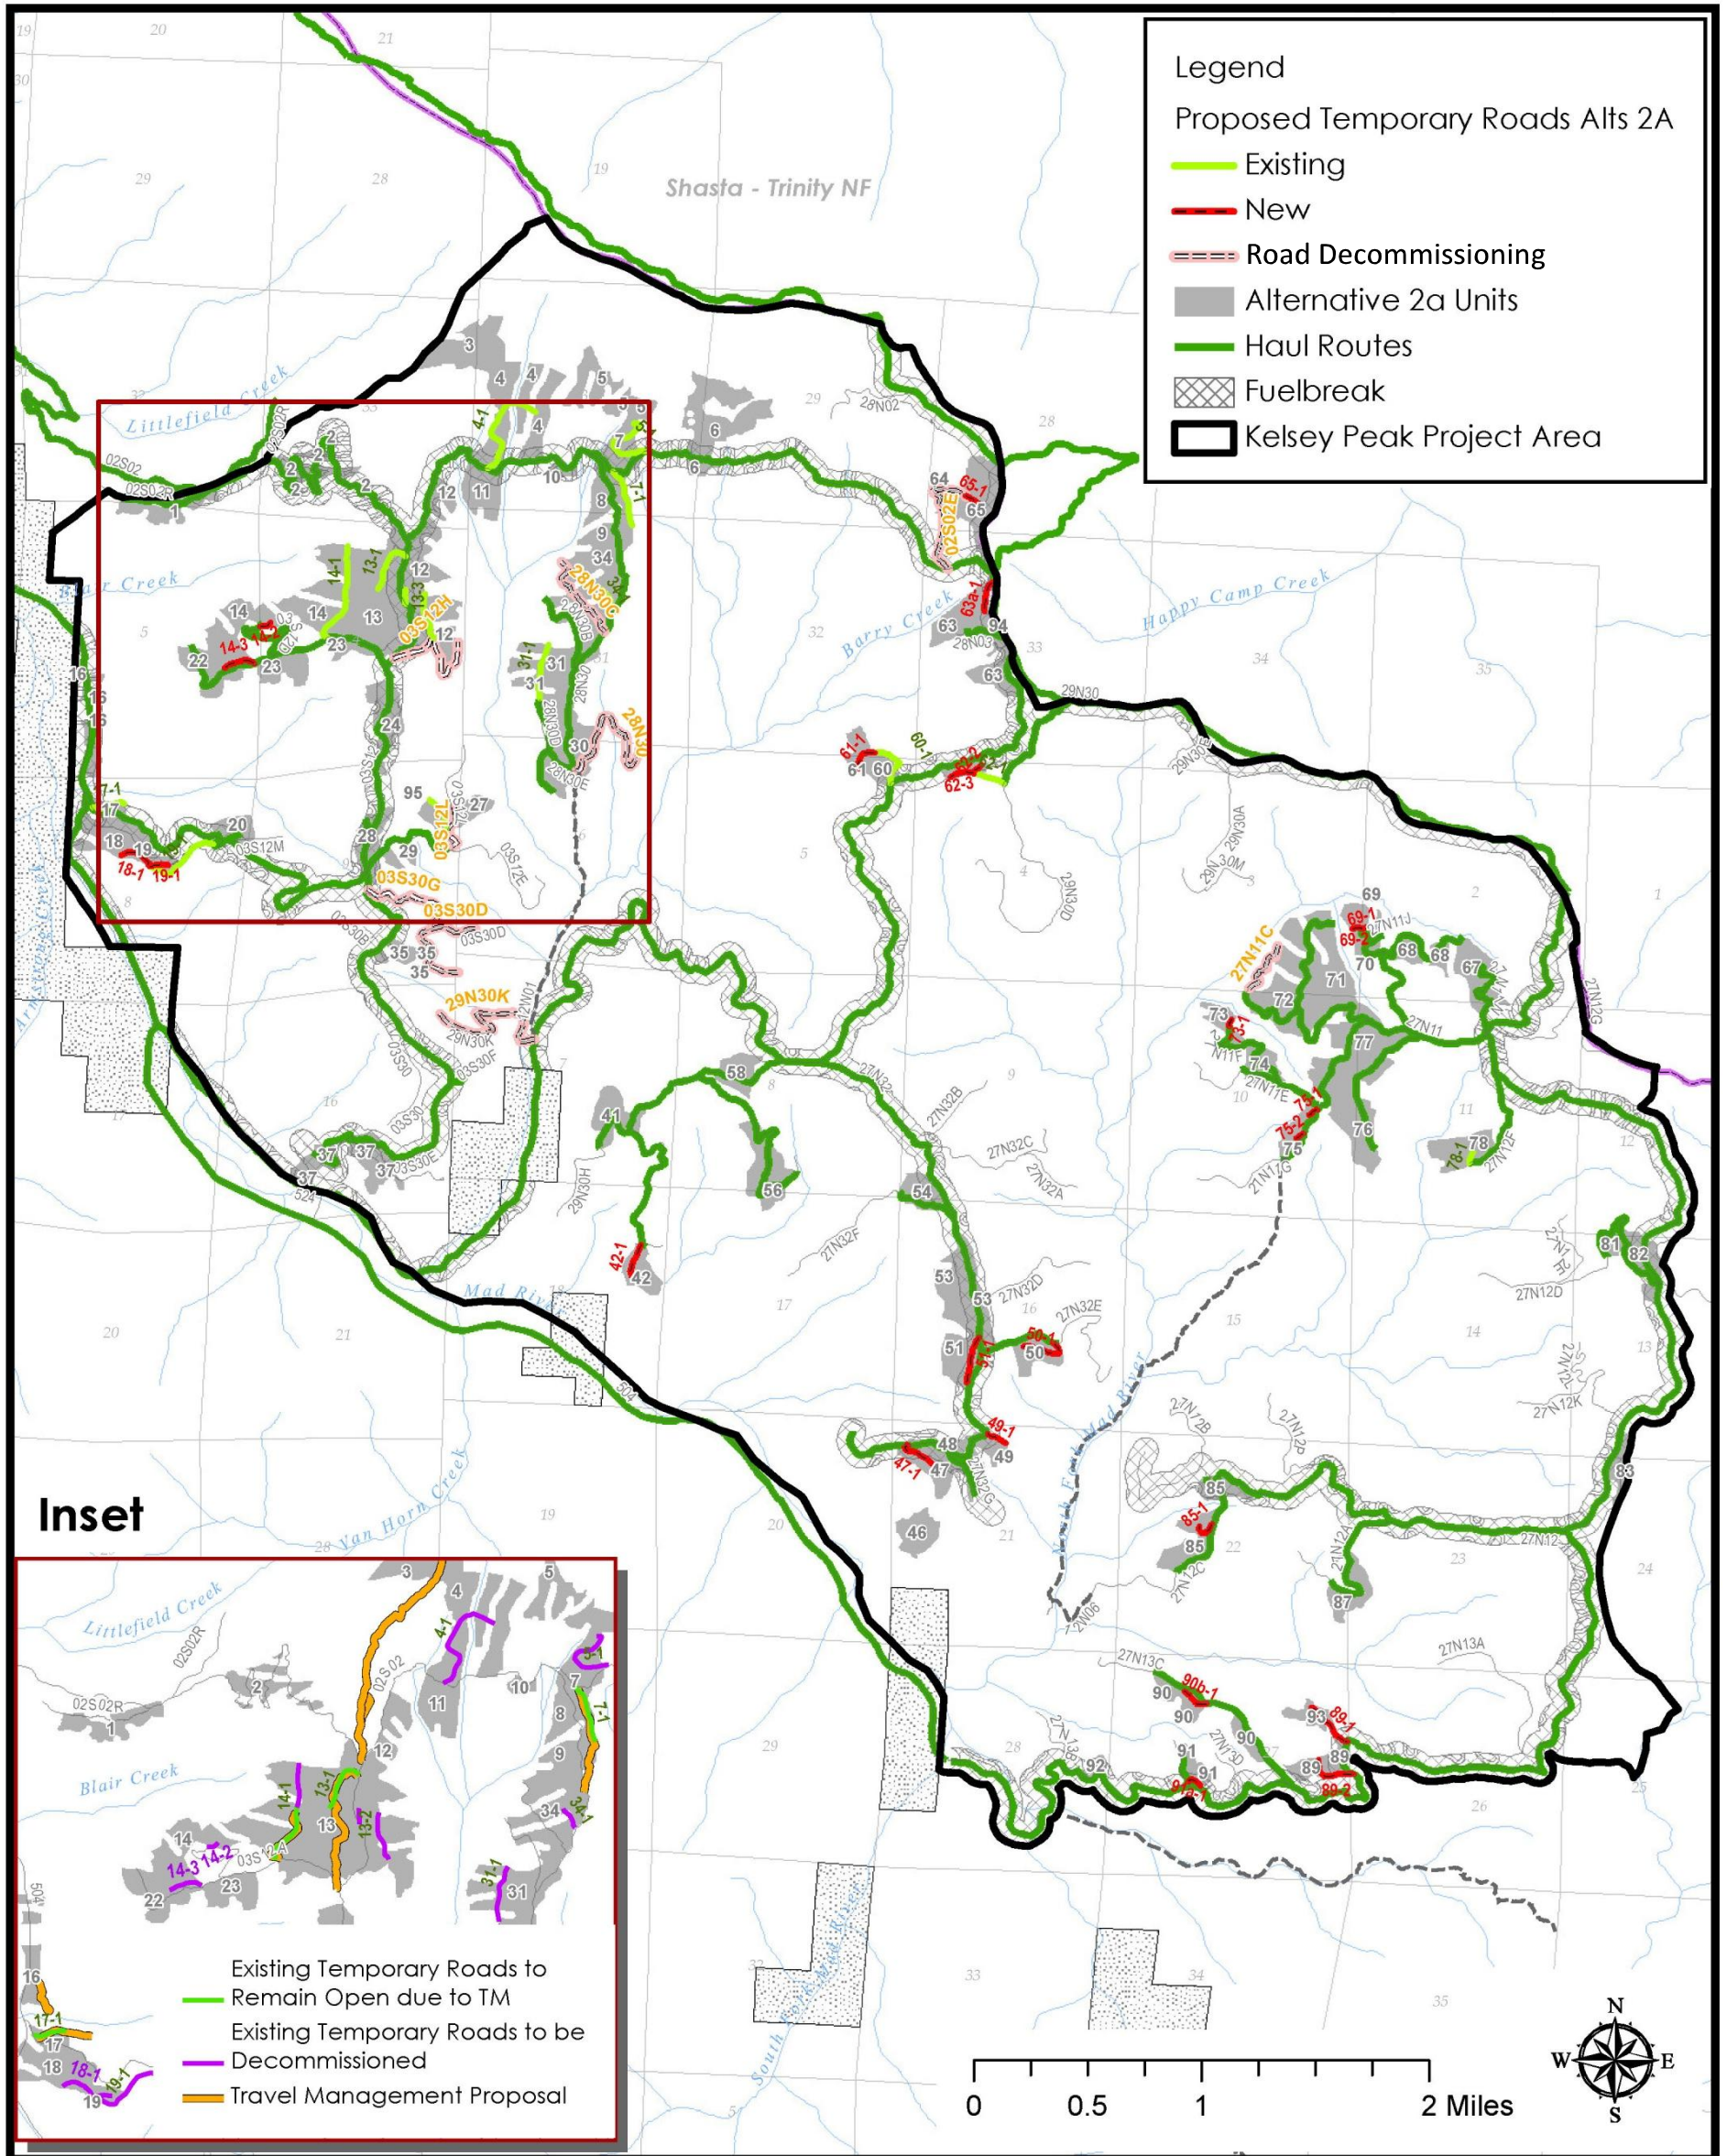

US Department of Agriculture  
Forest Service

Six Rivers National Forest  
Kelsey Peak Timber Sale and Fuelbreak Project  
Alternative 2A

## Transportation

----- Forest Trails  
— Forest Roads  
□ Sections  
~ Streams

Private Ownership  
Six Rivers National Forest Boundary

Map 5. Proposed transportation system, Alternative 2A

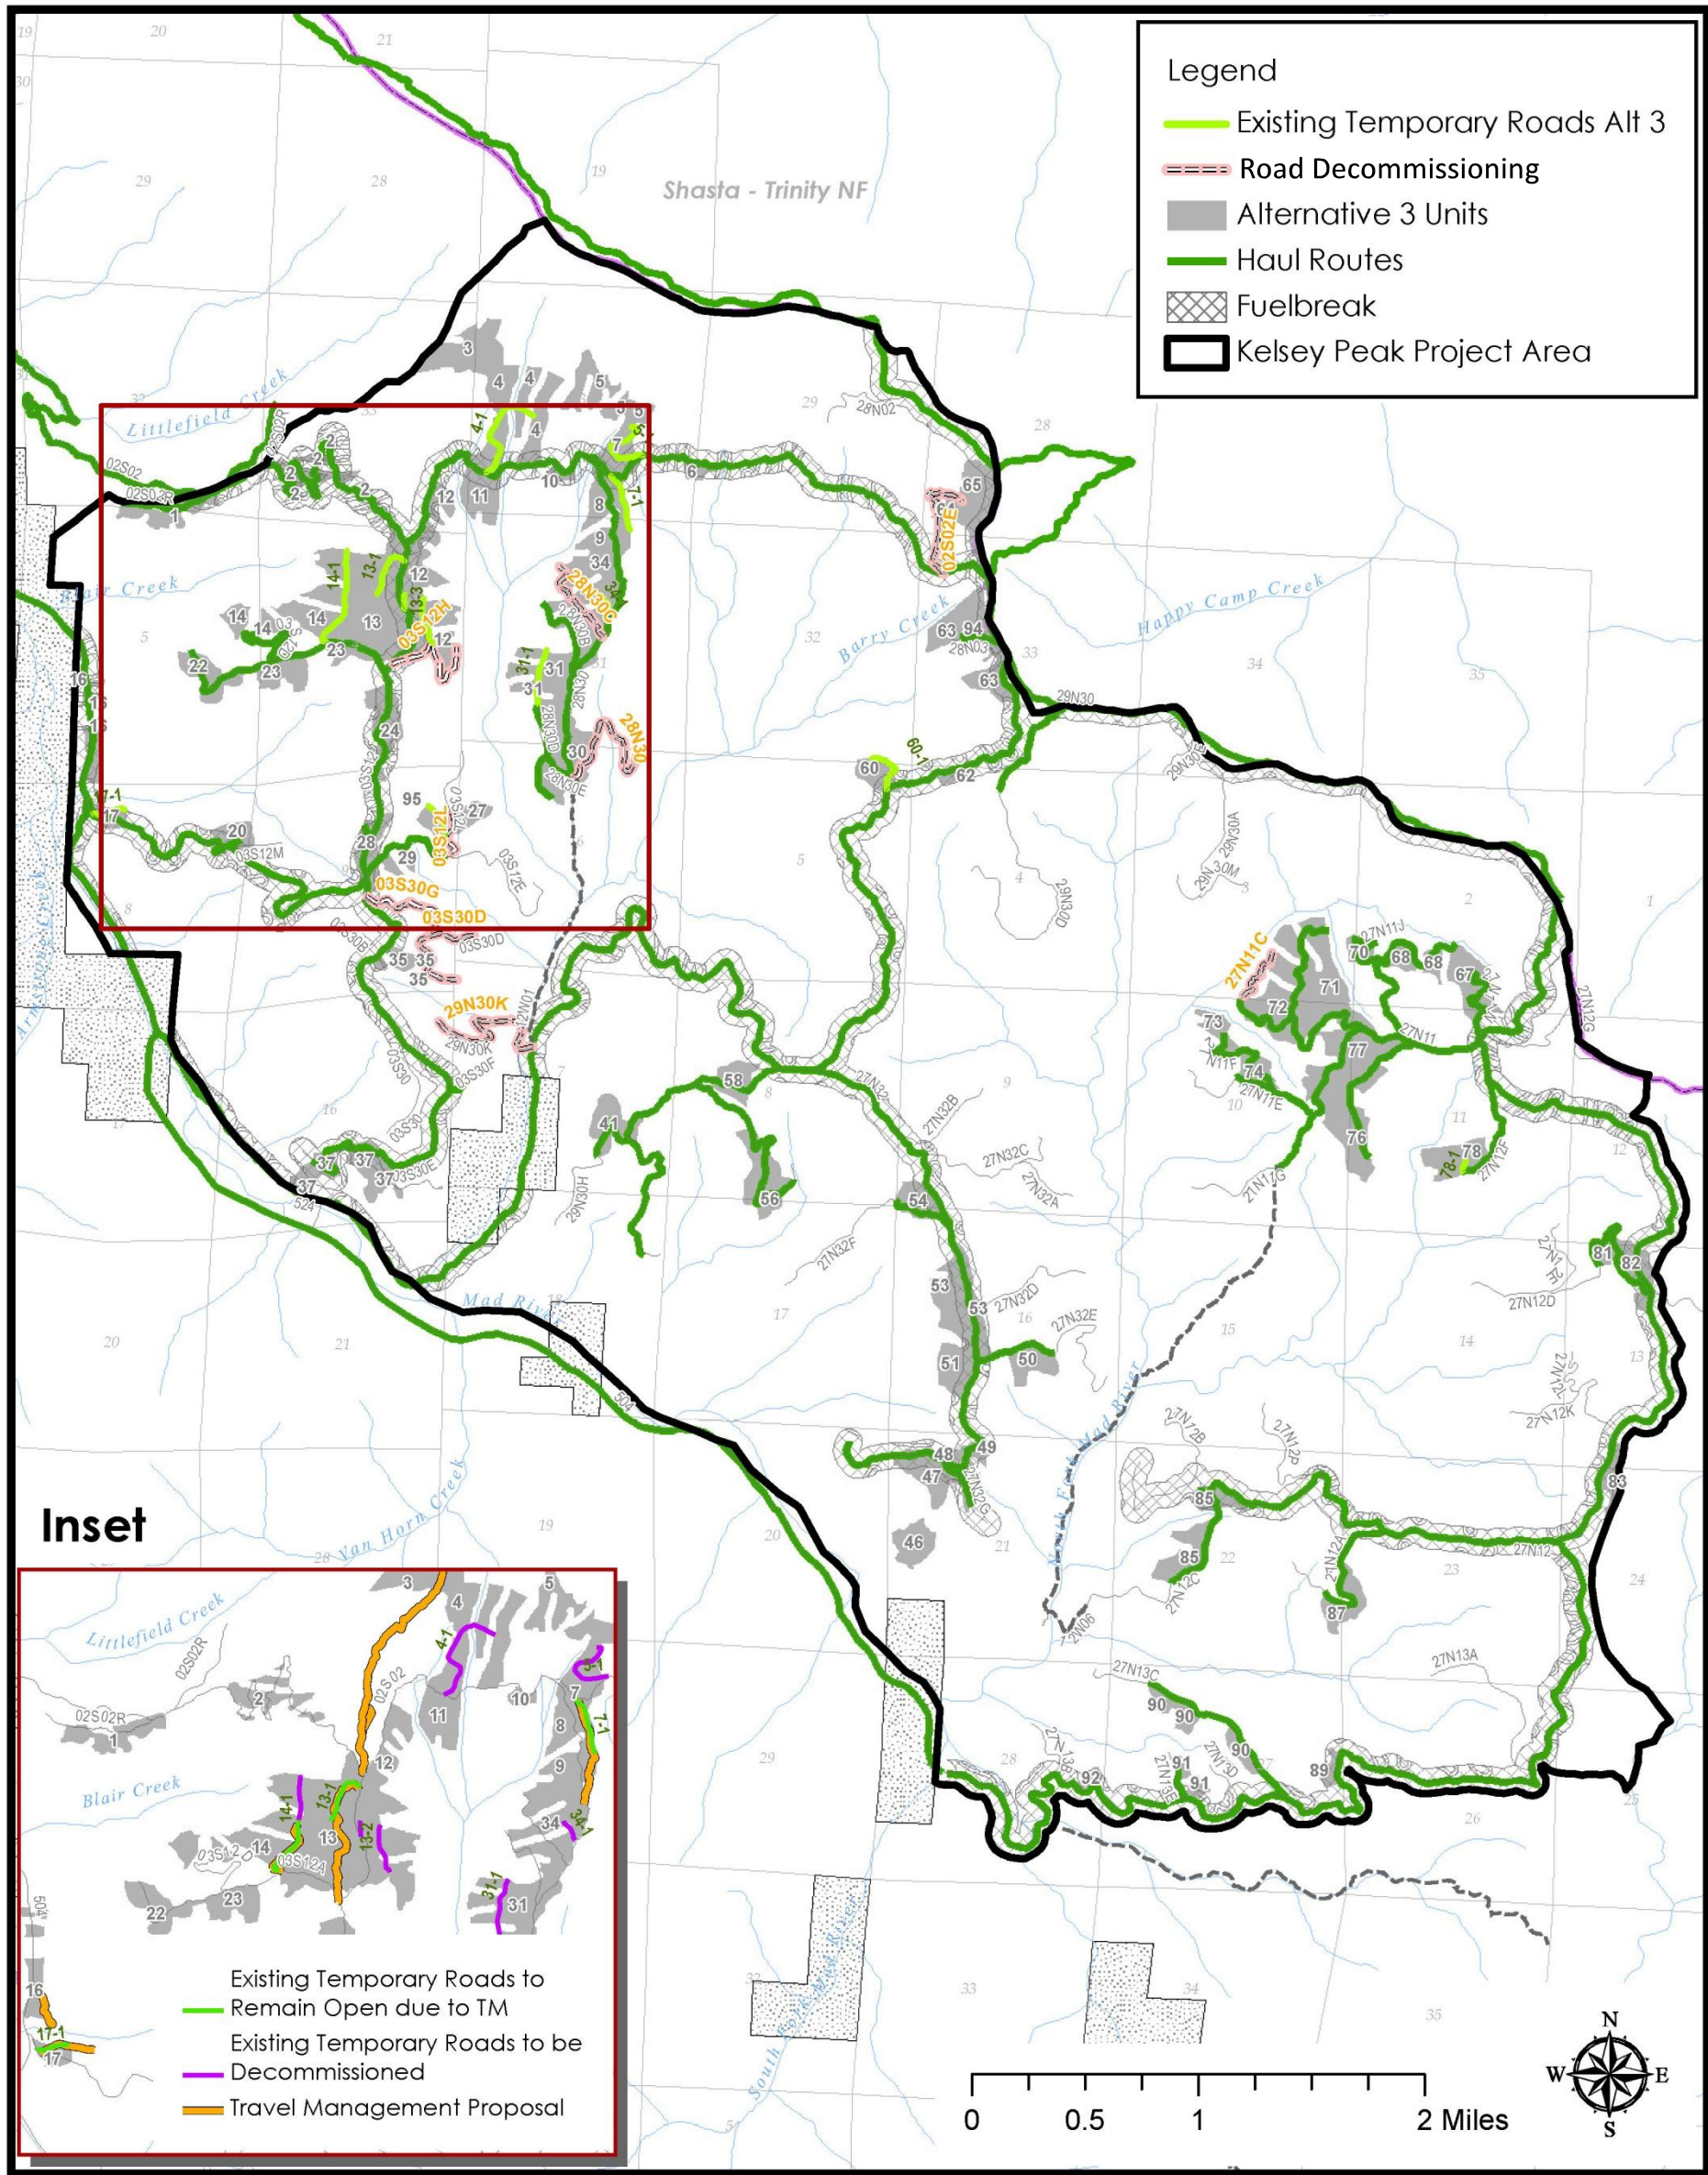

US Department of Agriculture  
Forest Service

Six Rivers National Forest  
Kelsey Peak Timber Sale and Fuelbreak Project  
Alternative 3

## Transportation

Map 6. Proposed transportation system, Alternative 3

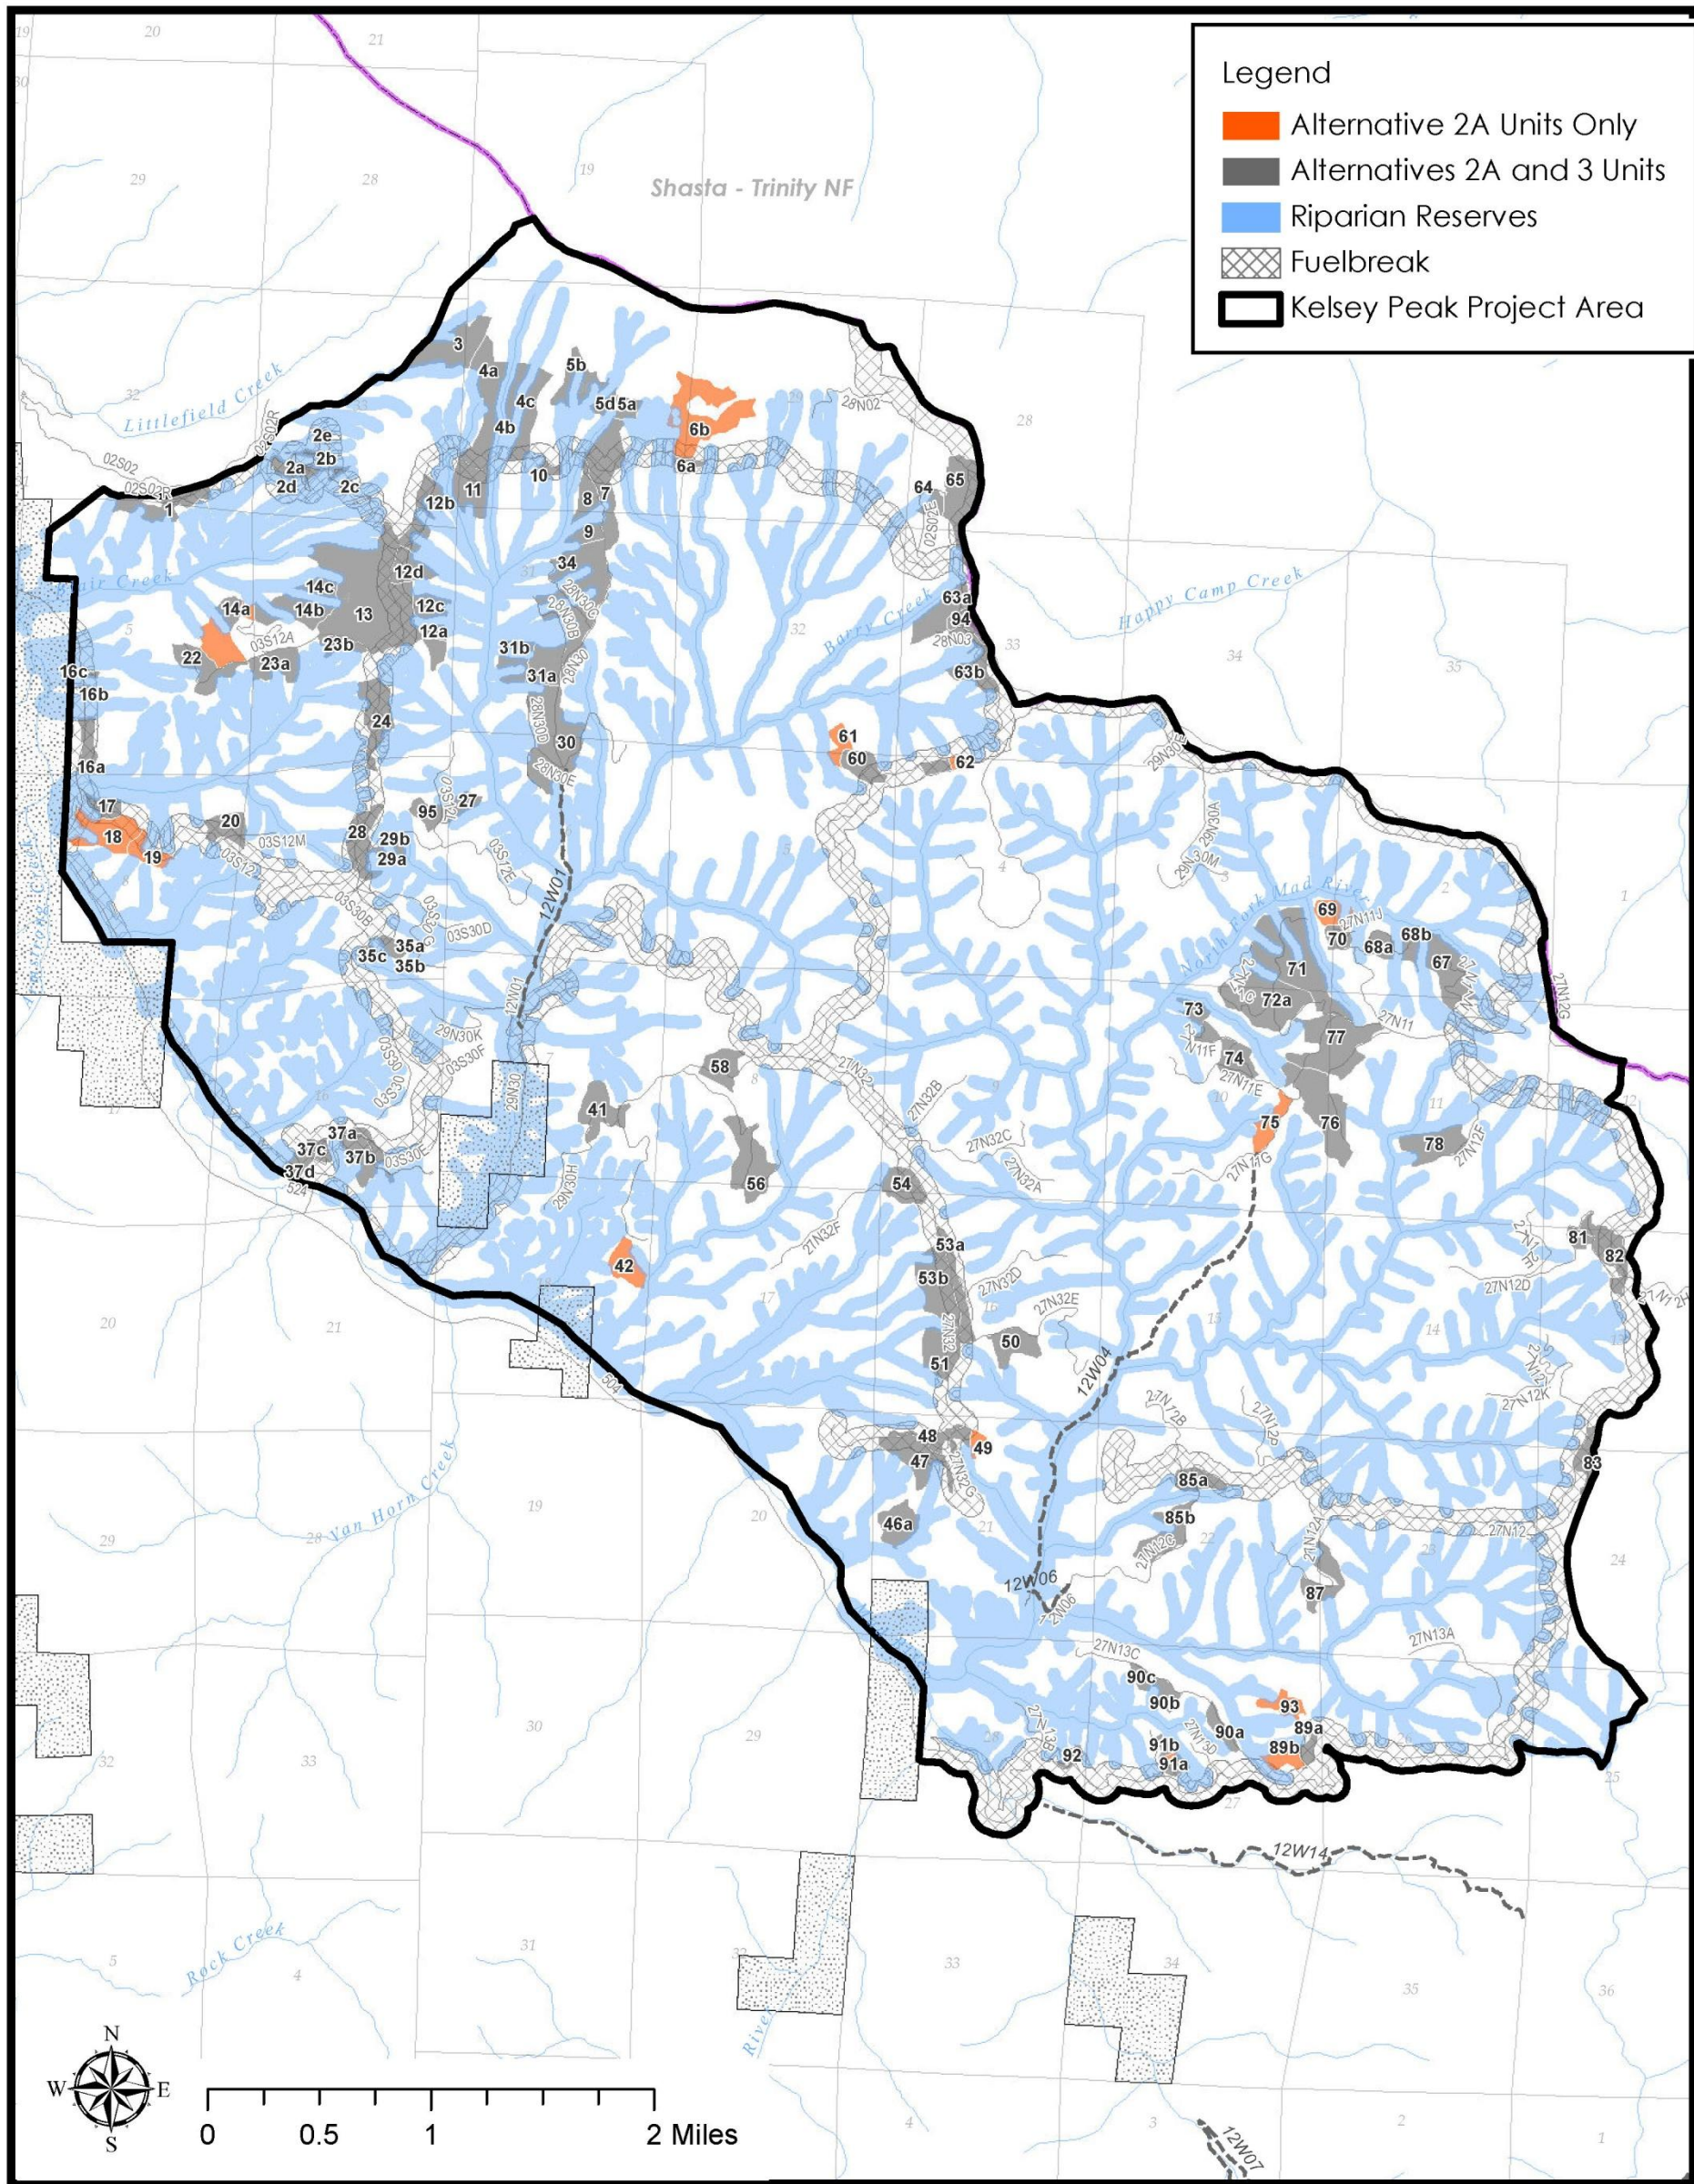

US Department of Agriculture  
Forest Service

Six Rivers National Forest  
Kelsey Peak Timber Sale and Fuelbreak Project

## Riparian Reserves

----- Forest Trails  
—— Forest Roads  
□ Sections  
~ Streams

Private Ownership  
Six Rivers National Forest Boundary

kg\_riparian\_31july2013.mxd kg\_riparian\_31july2013v2.pdf cb 2 Aug 2013

Map 7. Riparian reserves shown with Alternatives 2A and 3 silvicultural treatments
